

Effective September 18, 2025,
Mac-House Co., Ltd. will change our name to Gyet Co., Ltd.

Mac-House » **Gyet**

As a part of our evolving business strategy and brand restructuring,
Assuming the proposals at the extraordinary general meeting of shareholders
will be held on September 17, 2025 are approved,
We are going to change the company name to “Gyet”.

We will take this opportunity to further improvement for our corporate value.

*The company name change will be proposed at the extraordinary general meeting of shareholders on September 17th. The logo design is currently being prepared.

New company name concept

Gyet

"Global Growth Reimagined"

– Growth Yet, Global Generation –

The company name Gyet has the following meaning

Growth
yet

Global
yet

Generation
yet

It has three meanings.

Growth Yet

As it has not completed yet, we feel positive that it would continue to grow from here on out.

Global Yet / Towards a World Yet to Be Seen

Not only do we stay in Japan, but we also find world issues and needs to take on challenges globally.

Generation Yet / With the next generation that will lead the future

The intention to create value for a new era together with the next generation that will lead the future.

We at Gyet are

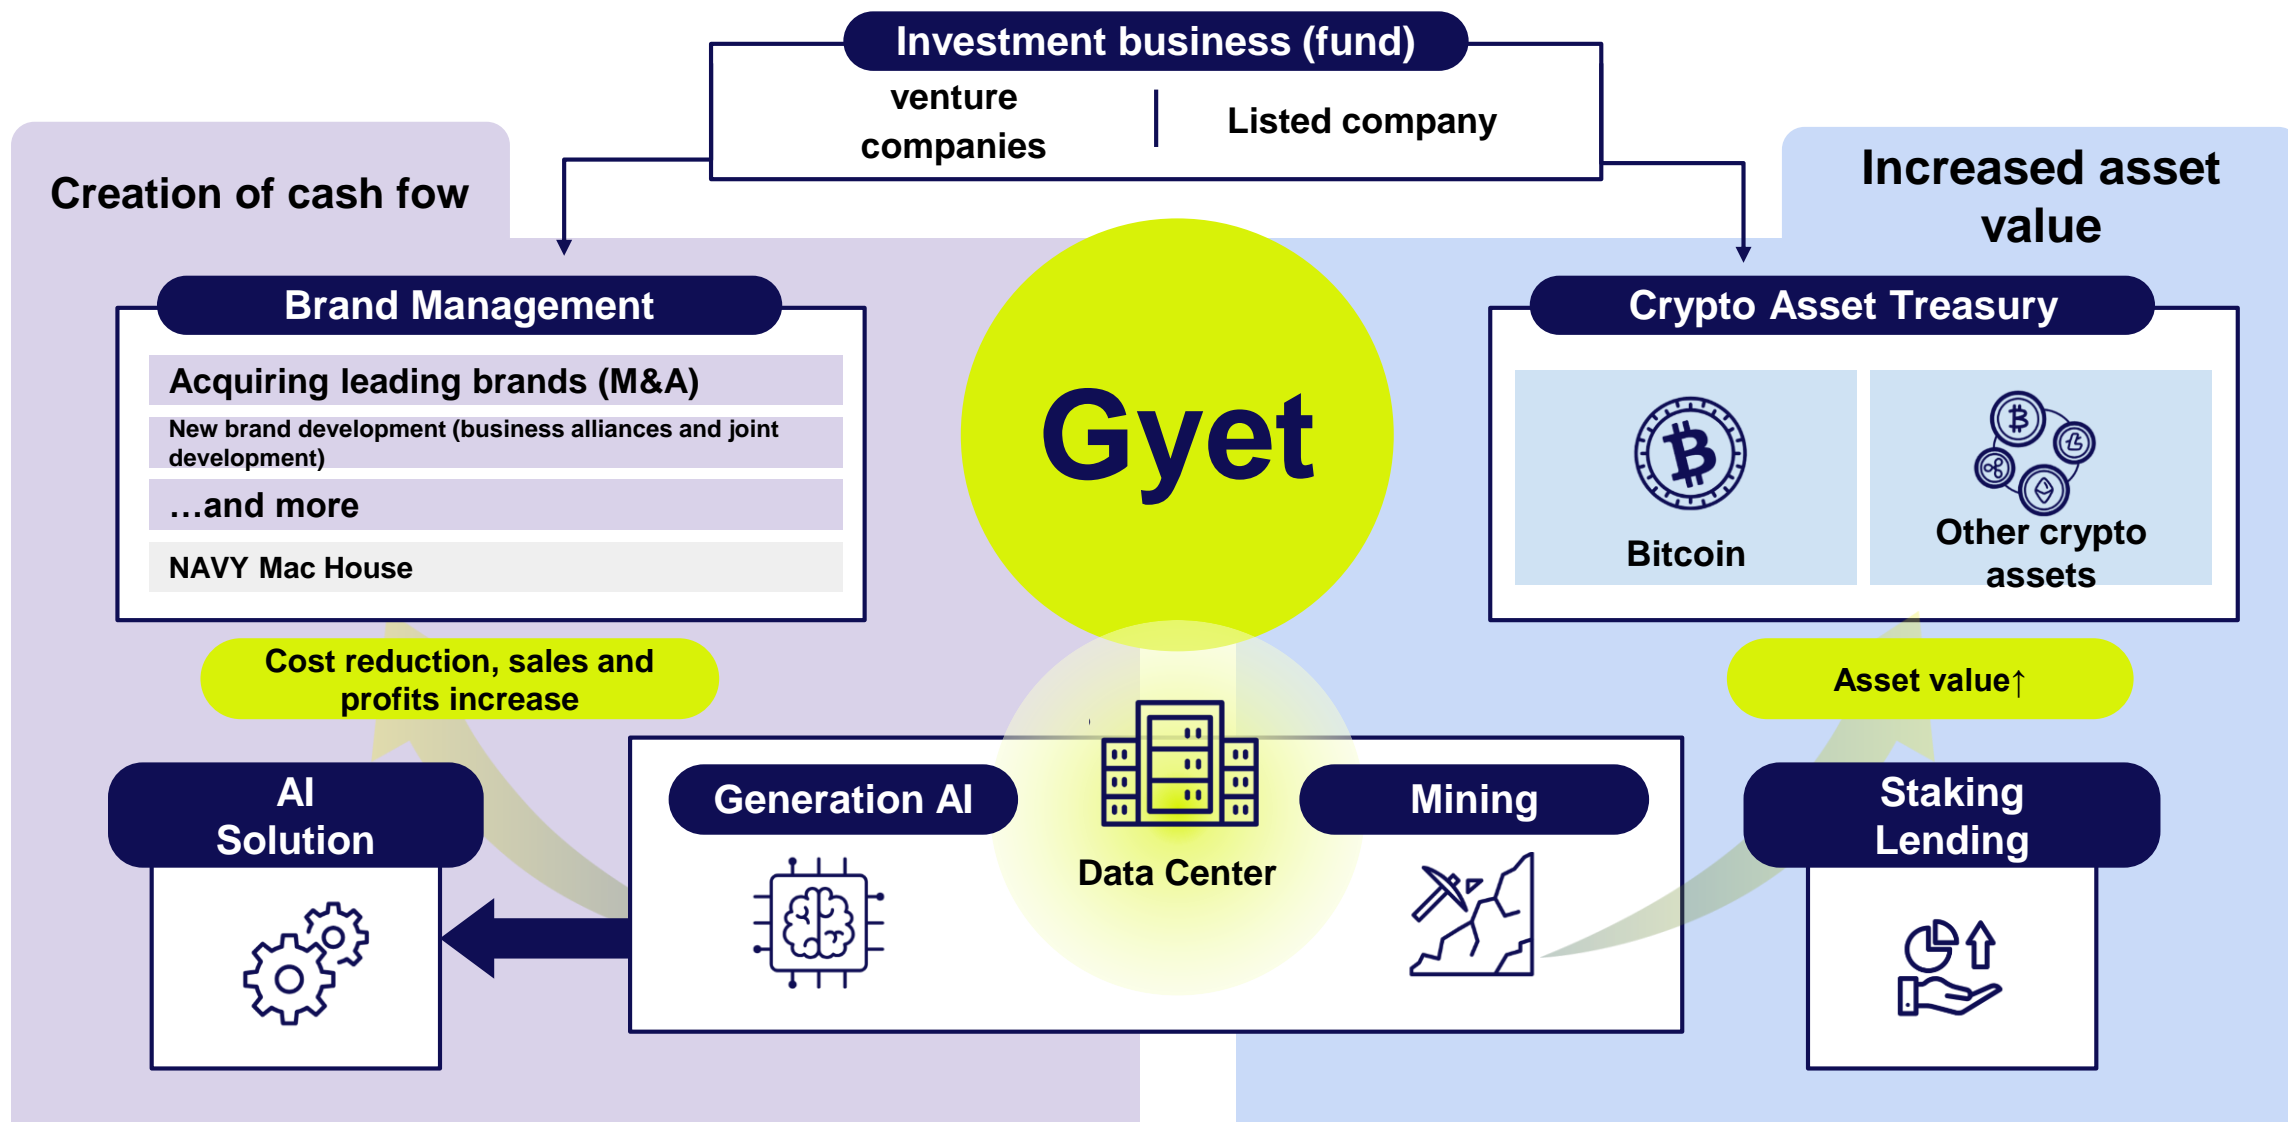

We, Gyet are the company who conceives and realizes “an unseen world, an unseen future.”

Our Vision

**We are going to nurture the "seeds for new value" that may be small
sprouts now,
We aim to be a bridge that connects the world with the next generation.**

**To achieve this, we connect with colleagues around the world,
By incorporating technology, ideas, and people,
We will realize someone's "I wish there was something like this"**

Gyet Strategic Expansion Map

Our Mission /One last thing , we want to express

**We Gyet Corporations are not bound by current common sense,
We aim to create "value that will be required in the future."**

**We regard "it's not finished yet" as blank space for future growth,"
We watch on the real issues that society and people are facing,
We create new businesses, products and services that "do not yet exist
anywhere in the world."**

**And we will strive for challenges not only by ourselves, but together with the
next generation.**
